

max: ~~2~~ ~~3~~ ~~4~~ ~~6~~ 9

Choosing the best choice out of the pool available choices everything is being great.

A hand-drawn diagram illustrating the addition of three numbers. On the left, a large blue-outlined rectangle contains three smaller green-outlined boxes. The top-left box contains the number 60 with a small 10 written below it. The top-right box contains the number 100 with a small 20 written below it. The bottom-center box contains the number 80 with a small 20 written below it. To the right of this rectangle is a green-outlined circle containing the number 240, which is underlined.

2) part ~~demo~~ comp

b > a      +ve  $\rightarrow$   $\begin{matrix} b & a \\ | & | \\ \hline \end{matrix}$   
 -ve  $\rightarrow$   $\begin{matrix} a & b \\ | & | \\ \hline \end{matrix}$
